## **Notice of Register Vehicle System and Visitors Parking Policy Update**

Dear residents of 200 Rideau,

The Boards at 200 and 234 Rideau have approved two new measures to address unauthorized parking in the garage and to improve the availability in Visitors Parking.

In response to complaints received from residents about unauthorized vehicles parking in the garage, an online "Vehicle Registration" system is being implemented to assist security in identifying unauthorized vehicles, and to make it easier for residents to have unauthorized vehicles ticketed or towed from their private parking spots.

The update to the Visitors Parking Policy came into effect on March 1, 2026, and residents can use the "Register Vehicle" system immediately as it offers better access to Visitors Parking.

Please see the Notes and Instructions that are provided at the following link: [Register Vehicle for 200 and 234 Rideau](#).

Sincerely,

Meaghan Maloney – OLCM-L
